Business Services for Subscribers

Appreciation must be expressed for the number and the quality of the advertisements in this issue. Without the revenue derived from this source, the price of The Directory to its subscribers would be prohibitive. The announcements in the front and rear sections have been carefully selected and scrutinized to the end that their statements may be accepted with confidence.

The serviceable *Classified Buyers Guide* has been expanded by the addition of many new advertisers, so that the 783 different product and service classifications present a greater choice than ever before. Almost any product or service needed by church, school or institution, is indexed in the thousands of source listings which follow.

Whenever you want to know "who makes it," "who supplies it," or "who can do it" — consult this *Buyers Guide* presented below for your greater convenience. Subscribers who make it a practice to study the *Classified Index* and the advertisements to which it is the key, find it quickly solves their problems of supply, equipment and maintenance.

Your mention of *The Official Catholic Directory* when responding to advertisements will be helpful to you as well as to the advertisers and the publishers.

Improved Summary of Statistics

Subscribers generally, statisticians and analysts in particular, will find the new presentation of Catholic statistics in the *General Summary* of greater help than ever before.

The 63 categories of personnel and institutions have now been rearranged to show the totals for component dioceses of each state, and for the nine sections of the U.S.A. (New England, Middle Atlantic, etc.). The tables comprise some 10,962 statistics and are an exact breakdown of the Catholic Market in the 48 States, presented in standard statistical form for the first time, for easier reference and comparison.

We hope the new format will prove so helpful to our advertisers, sales managers and market analysts that the time and extra expense for this elaborate compilation will be fully justified. The new tables follow the United States section of this Directory.

HOW To Raise Debt-Free Funds Successfully

The very first thing to do is to ask yourself this question: "How much can *I* expect to raise in a fund-raising campaign?" That, you may say, is an obvious thing to do. It is. But getting the correct answer is a complicated process that involves study and correlation of many diverse factors.

The correct answer is of the upmost importance to you because often it will show that you can raise far more than you thought you could, sometimes far less, and very often it will indicate that you should not even attempt a campaign or that you should defer it.

Next, do not attempt to answer it yourself. Do what you would do if you had a legal problem—consult a lawyer; or a medical problem—consult a doctor. So, for the correct answer to your financial problem consult an organization that is professionally equipped and staffed, and has the long-term experience to give you an answer upon which you can rely with complete confidence. *And it will cost you nothing to get it.*

For example, after a preliminary consultation with you at our expense, Lawson Associates will study your financial needs and prepare a written, detailed analysis of what you can, or cannot, expect to obtain in a fund-raising campaign. If a campaign is not feasible or if it should be deferred to a later date, Lawson Associates will tell you so.

If it advises that a campaign for such and such an amount is feasible, Lawson Associates will submit a detailed written Plan of Campaign tailored to meet your specific requirements and outlining the step-by-step procedure to be followed.

After careful study of our analysis and Plan of Campaign, you will be able to decide for yourself whether or not to undertake your fund-raising drive.

All of this is done without cost or obligation. If you decide to go ahead, Lawson Associates then draws up a contract stipulating a fixed fee (we never operate on a percentage basis) payable in installments.

This is exactly the procedure followed by the many hundreds of pastors and other Church leaders who consulted Lawson Associates and obtained large, debt-free capital funds quickly and economically. Some of these are listed on the opposite page.

Telephone Us Collect

If you need capital funds for whatever purpose, and would like to know how our organization can help you, then do the following: 1). Telephone your long distance operator; 2). Tell her you wish to place a reverse charge call to Lawson Associates in Rockville Centre, New York; 3). Give her our telephone number — Rockville Centre 6-0177; 4). When the call is put through, ask to speak with Mr. James H. Fraser; 5). Mr. Fraser will ask you five or six simple questions and will then advise you whether or not we can help you. If we can, you will be sent an analysis setting forth in detail just what can be accomplished. This will all be done without obligation of any sort.

Why not do it NOW?

BE GUIDED BY THE EXPERIENCE OF OTHER PASTORS AND CHURCH LEADERS

You can judge the calibre of Lawson Associates fund-raising services by referring to the listing below. Please note that this listing is intended to give you *examples* of the types of fund-raising campaigns which we have planned and directed to success and, because of space limitations, is not representative of the many hundreds of campaigns planned and directed by us.

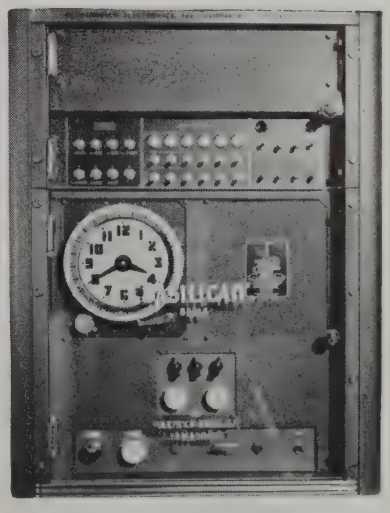
New North American College, in foreground, housing Schulmerich "Basilican" "Carillonic Bells". The famous basilica of St. Peter, Rome's great landmark is seen in the background.



Rome gets its First Carillon— beautiful "BASILICAN"* Bells—produced by Schulmerich

Among all bell makers, Schulmerich was privileged to install these fine bells in the North American College, Rome, Italy. His Eminence, Francis Cardinal Spellman, graciously presented the equipment at a recent dedication in Vatican City. Now for the first time, the Eternal City rings with glorious carillon music.

Why were Schulmerich bells chosen? Because each brilliant, stirring bell note sounds with purest, traditional tone. Because the superb instruments that have made Schulmerich the world's largest bell and carillon producer have won the acclaim of clergy and laity everywhere. And, because whether tolling, swinging or ringing the "Basilican" fits every liturgical need of the College best.

To learn how your church or institution may have the finest bell music, write to:

THERE IS NO SUBSTITUTE FOR EXPERIENCE

Entrust your campaign to men experienced and skilled in the practice of Public Relations and Fund Raising, thus assuring conservative, dignified direction. Sound, professional supervision of fund-raising campaigns for the Church requires the guidance of those who, in addition to understanding successful and economical means of raising money, also understand Catholic problems.

WHEN YOU NEED **HELP**

YOU WANT THE **BEST!**

Our Firm is BETTER equipped to handle your FUND-RAISING problem for the following reasons.

EXPERIENCE UNSURPASSED

For over thirty years we have been specializing in the direction of Catholic fund campaigns. Our work has taken us into the major portion of the United States and into every Province of Canada.

We have directed MORE DIOCESAN CAMPAIGNS than any other firm in the fund-raising business.

RECORD OUTSTANDING

We have NEVER failed to meet the objective in a diocesan campaign and in most instances obtained a substantial over-subscription. EVERY campaign directed by us in 1953 was an OVER-THE-TOP success.

PLAN UNIQUE

The "Fair Share Plan" was originated and developed by us and is used exclusively by us. Under this plan the appeal is so thoroughly sold to the people that the loss in collection of pledges is kept to a minimum.

CHARACTER THOROUGHLY CATHOLIC

Under the "Fair Share Plan" the people are taught their financial responsibility to their Church as a matter of conscience. Pastors have commented time and again that in addition to the financial gain, there was a noticeable increase in active Catholicity among their parishioners following our campaigns.

SATISFACTION GUARANTEED

We have worked 13 times in one Diocese, 12 times in another Diocese. We have been invited to return for additional campaigns 5 times in one parish, 3 times in 3 parishes and 2 times in 12 parishes.

These facts are attested to by prominent members of the Hierarchy and Clergy who have availed themselves of our services. Their names will be furnished upon request.

Write NOW for a REASONABLE and EXPERT solution to your Diocesan, Parochial or General Church Needs.

Consultation Without Charge.

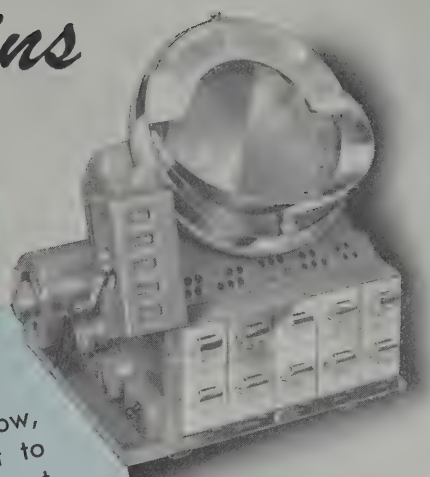
BRANDT

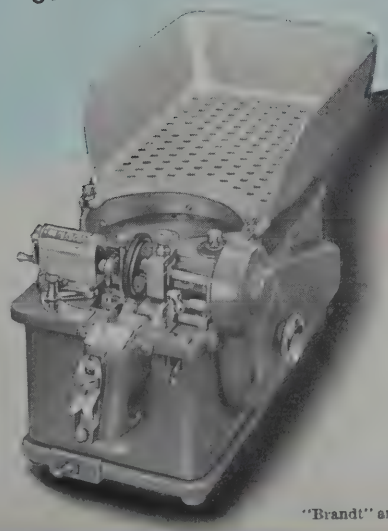
MACHINES



The sorting and counting of coins by hand is a slow, monotonous task that is continuously subject to errors; the use of inefficient equipment offers scant improvement.

Many Catholic churches throughout the United States have remedied this situation by installing the Model SL Brandt Coin Sorter and Counter. Mixed coins, pennies to half dollars, inclusive, are sorted and counted with this machine with absolute accuracy in a fraction of the time required to perform this work manually.

And to facilitate coin wrapping or bagging, as the case may be, a Brandt Coin Counter as shown below is frequently installed.



Churches have found that Brandts are durably constructed and can be relied upon to give long, dependable service.

The experience of actual users of Brandt equipment is one of its finest recommendations. A representative list of churches, financial institutions and others in your vicinity who use Brandts and whom you might like to contact will be furnished if desired. Descriptive material will be gladly supplied upon request sent to our address below.

MODEL SL

THE NEW Wayne PANORAMIC

The safety recommendations of more than 8,000 pastors of Catholic parochial schools were requested by Wayne Works before engineering this "Safest Bus Body Ever Built." A few of the resulting, exclusive Wayne innovations are:

PANORAMIC DRIVER VISION—156% more clear-view area in those new "Curv-a-Corner" rear windows—no more "blind-spot" driving • Every window an emergency opening—over 13" unobstructed! Patented Perma-Safe Dry Wall—with massive 4-bar Fortress Rail! • "Air-Wedge" Emergency Kick-out Windshield (no center post.) • Mar-proof aluminum inner walls (no costly, offensive defacing) • Lock-bolted (no "weld weakness" or "rivet wiggle"). Most dramatic step forward in bus body safety since Wayne pioneered the industry's first all-steel bus body in 1930!

Root Candles of 51% — 100% GUARANTEED percentages of beeswax, are rolled from tough sheets of beeswax and burn with a clean, economical flame.

BURN LONGER

Root 51% Rolled candles average 15% longer burning than do standard altar candles of same weight, diameter and percentage of beeswax, tested under identical conditions.

BURN CLEANER

Root Rolled Candles smoke less because a larger portion of natural resins found in all beeswax are removed by a superior refining process.

NON-BENDING

Root Rolled Candles do not bend in hot weather because they are made from tougher wax extruded under higher pressure, and free from air bubbles. Moreover, tubular construction adds to their strength.

PLEASANT AROMA

You'll note the fragrant beeswax aroma of all Root Candles. Their purity also permits semi-transparent penetration of flame light down into the candle.

Adlake

Aluminum Windows

This seal represents the craftsmanship, the integrity, and the experience gained through forty years of manufacturing aluminum windows for the transportation and building industries.

Only Adlake aluminum windows give you

Positive protection against water and air infiltration!

Rugged laboratory tests prove that ADLAKE'S exclusive combination of wool woven-pile weather stripping and patented serrated guides forms a positive seal against wind, rain and cold. And that seal will last!

In one test, 500 gallons of water a minute are played on the glass, and not a drop comes through. In another, wind pressure of 97 m.p.h. on one side of the window does not cause the slightest draft on the other side!

Finger-tip control!

ADLAKE Aluminum Windows may be raised or lowered with ease...and laboratory tests prove this "finger-tip control" will last the life of the window ...for ADLAKE Windows have been raised *one million times*, and operate as smoothly on the last opening as the first!

No painting or maintenance!

ADLAKE Windows never need be painted or maintained other than by routine washing. In many buildings, they have already saved enough in maintenance costs to pay for themselves!

and ADLAKE Windows can be quickly, easily installed...will never warp, stick, rattle or rot...and will keep their good looks and easy operation for the life of the building!

all these plus features!

THE KEY TO SUCCESSFUL CHURCH FUND-RAISING

The organized method, wisely administered by experienced direction, has proven the Key to the solution of fund-raising projects for the Church and Her Institutions.

PIONEERS IN SUCCESSFUL FUND-RAISING

The year 1905 marked the beginning of a "new era' in fund-raising for Religious and Philanthropic Institutions.

In this year the now widely accepted plan of organized fund raising was first established in Washington. D. C. by the late Charles S. Ward, founder of the firm of Ward, Wells, Dreshman & Reinhardt.

Since 1905, over $1,500,000,000 has been raised for all types of Religious and Philanthropic Institutions by those associated with Ward, Wells, Dreshman & Reinhardt.

35 YEARS OF SERVICE TO THE CHURCH

As early as 1918, the leaders of this firm were called on to apply the newly established organized plan to fund-raising efforts for the Church and Her Institutions.

Port-a-Fold

Tables and benches detach from pockets and roll to any position. Tubular steel under-structure, heavy plywood tops with high pressure laminated plastic surface.

Mobil-Fold

For use where pockets are not practical. Two sets of Port-A-Fold type tables and benches fold into all-steel, caster equipped carrier. Roll to storage area.

Let us supply complete information

Schieber folding tables and benches reduce building costs by making one area serve double duty...

The first Schieber installation made 16 years ago is still in daily use. This is trouble-free equipment, engineered to take the abuse of day in and day out operation by people who are not mechanics and who will not handle it with "kid gloves." Officials in Schieber equipped schools are high in its praise. Let us refer you to a nearby installation that you can observe.

in Church Fund-Raising...

it's Results that count!

the world's most extensive CHURCH FUND-RAISING EXPERIENCE is now available to YOUR PARISH

EVERY WEEK *an average of more* than 20 individual churches and parishes (of various faiths) are currently completing successful fund-raising canvasses with the assistance of Wells Organizations. This consistent success and volume of experience makes it possible for Wells to *insure* the results of a fund-raising canvass objective—for either a budget or building fund project—in any church or parish with more than 200 families. (Wells also serves many smaller churches.)

Exclusive Specialization

This record and insured objective service are the results of specialization. All of the energy, time and resources of Wells Organizations are applied exclusively to assisting individual churches and parishes with their fund-raising programs. Wells does not divert its attention by directing other types of financial appeals.

Wells is now providing individual churches with more fund-raising canvass services than are being made available by all other sources combined. Yet, the demand for Wells services continues to increase. There would be no such demand for continued growth unless the overwhelming majority of former-client churches were fully pleased with the quality, price, and results of services rendered.

A service that has produced successful results for the churches that have used it should be made available to all churches, and must be constantly improved in the process. This is the two-fold challenge which Wells Organizations has accepted in its efforts to help *all* churches realize their total objectives.

The Complimentary Conference

To learn how to achieve the same successful results with your fund-raising program, arrange now for a Wells Complimentary Conference. In this meeting, entirely without cost or obligation of any kind, a Wells officer will explain Wells techniques, guide your leaders through a self-study of your needs and potentials, and help you create a plan of action. To take advantage of this invaluable Wells service, phone (collect) or write today to the nearest Wells office to arrange a mutually convenient date.

THE MAGIC TEACHER PUZZLE-PLANS

The Magic Teacher PUZZLE-PLANS, for teaching beginners, are based upon a very simple, yet marvelously effective and psychologically sound, teaching procedure. Their underlying principle is the idea of matching the separate question and answer parts of carefully constructed sets of cards which have been die-cut with jig-saw patterns. The child has to make the associations correctly because each card or item has a different matching pattern. The puzzle element holds his attention and the matching patterns serve as connecting links until the answers have been learned. Each set comes in a durable box 5 in. by 8 in. in size with three-color design and complete instructions printed on the bottom of the box.

The series has been extended to cover all the basic subjects in the primary grades. The PUZZLE-PLANS are self-administering and self-checking.

There are five different sets of these new PRACTICE PATTERNS, affording unlimited drill in the four basic skills of ADDITION, SUBTRACTION, MULTIPLICATION, and DIVISION. A set consists of four cards, each 5 in. by 8 in. The cards are die-cut so that a small rectangular window appears below each problem. The pupil places the card on a sheet of blank paper and writes each answer in the window. The correct answers are printed on the reverse side. By turning the card over, end for end, these correct answers appear just below the pupil's written answers, making self-checking very easy. There are four different cards in a Set and each box contains four Sets — a total of sixteen cards.

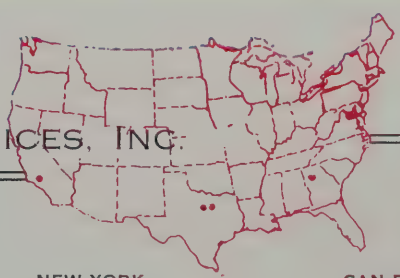
When Fund-Raising Campaigns Are Being Planned

Maximum Results Can Be Obtained When These Four Factors Are Present

1. **An Urgent Need**
2. **Effective Leadership**
3. **Proper Timing**
4. **Professional Direction**

This pattern has become so definitely established in the trends of fund-raising that Catholic Institutions are now in a position to pre-determine, in most cases, whether their needs can be fulfilled.



We are confident that the time is coming—and coming fast—when more fund-raising campaigns will be professionally directed. That time will come more quickly as leaders in the Church realize that professionally directed campaigns are more successful than any others.

It is the policy of National Fund-Raising Services, Inc. to consult with Parishes, Hospitals, Schools, Colleges and other Catholic Institutions concerning their fund-raising problems. There is no obligation as a result of such consultation until our services are specifically contracted for.

We invite you to submit your fund-raising problems to us for preliminary study. Upon request, we will send you a number of references from our clientele who have voluntarily expressed themselves regarding our services.

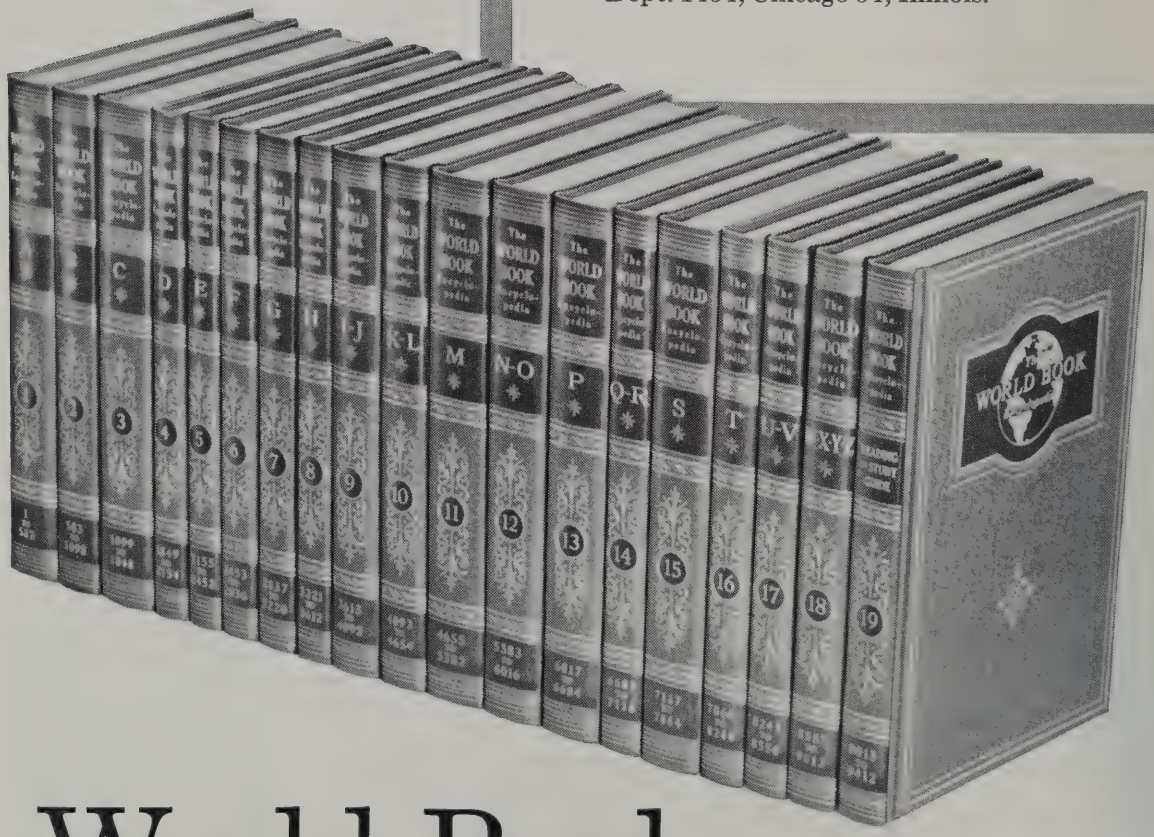
"World Book deserves the heartiest praise of everyone"

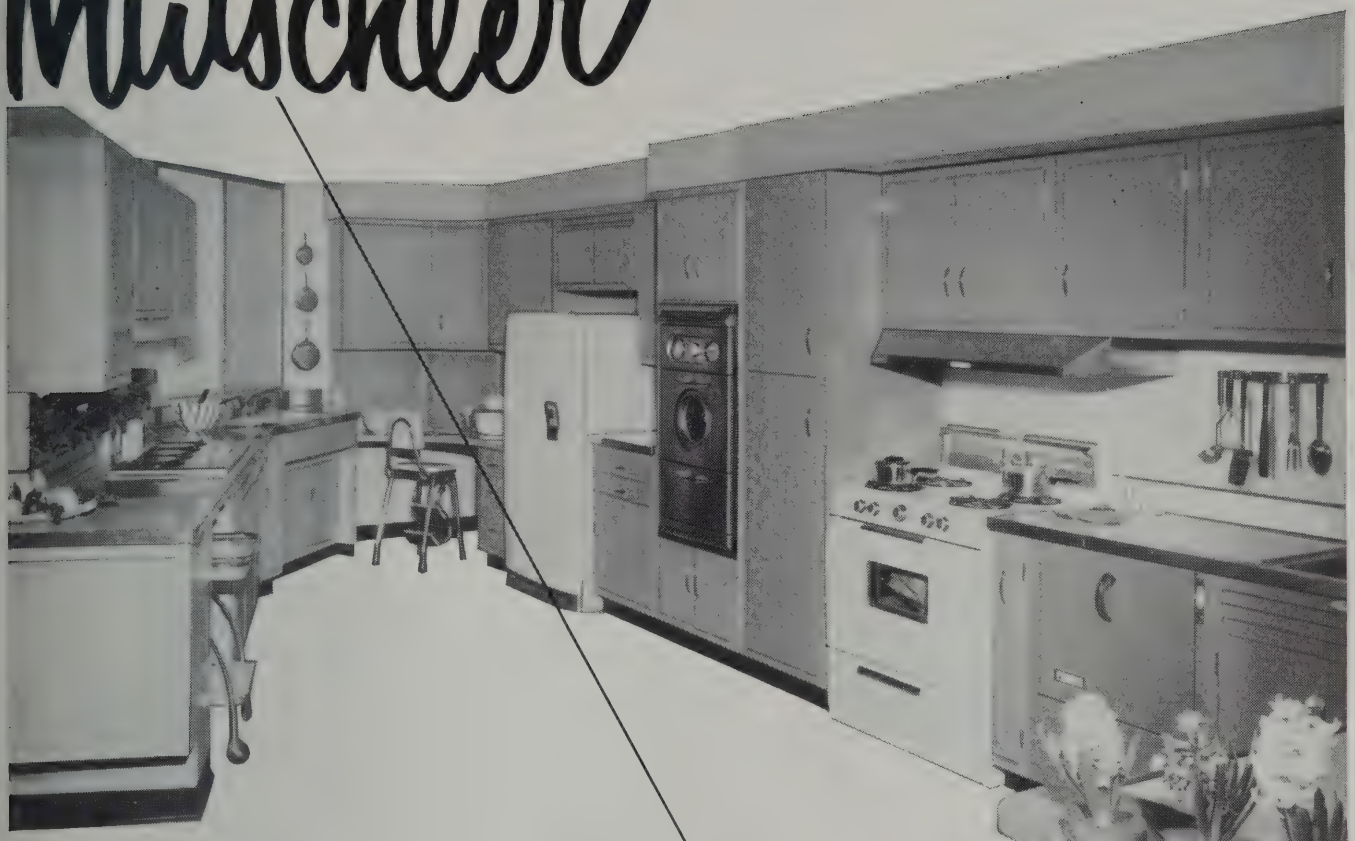


says William J. Roehrenbeck,
noted reviewer, in The Catholic Educator

In its treatment of Catholic subjects World Book has been most generous in the completeness of its coverage, says Mr. Roehrenbeck.

In addition, World Book features the lavish use of every possible type of visual learning aid. It is accurate, authoritative, comprehensive, easy to read, and up-to-date.

Educational authorities recommend World Book to parents, teachers, schools and libraries—not only for giving authoritative and adequate representation to the Catholic point of view but for enriching and supplementing the school curriculum.



For more information on World Book, write: Mr. George M. Hayes, WORLD BOOK, Box 3565, Dept. 1454, Chicago 54, Illinois.

inspection service for church properties

These changing times quickly make insurance protection programs obsolete. Frequent surveys are necessary to be sure that your parish has the right kinds of insurance and *enough* coverage. A highly specialized inspection service maintained by Insurance Company of North America is available to you through your own Agent or Broker. With values of all property still rising, an analysis of your insurance needs may reveal a serious lack of financial protection. Consult your insurance adviser today.

A neighborly enterprise makes its Annual Report

IN EARLY TIMES before man had developed enterprises to provide security against loss by fire and other perils, the community-at-large lacked stability. Without a dependable system of insurance, the well-being of its merchants and citizens was constantly endangered by the hazards of chance and the threat of disaster.

Today, property insurance offers dependable financial security to the public. It is provided, in its most efficient form, by agents and brokers, independent businessmen in every community who are friends and neighbors as well as advisors to their policyholders. Behind its local representatives stand the strength and stability of The Home which has enjoyed the distinction of serving American property owners for more than a century.

The ST. GREGORY CATHOLIC HYMNAL

for many years has proven of great value and benefit to Seminaries, Novitiates, Colleges and Schools. A large number of non-Catholic Colleges have also adopted the St. Gregory Edition, as its collections of widely varied compositions are not available in any other hymn books.

The St. Gregory Catholic Hymnal is the official hymnal for the Archdioceses of Indianapolis, Los Angeles, Newark, Philadelphia, St. Paul and San Francisco, and the Dioceses of Altoona, Harrisburg, Ogdensburg, Savannah-Atlanta, Scranton, Syracuse, etc. Also of Vancouver, Winnipeg and other large cities in Canada, and many U. S. Possessions.

The St. Gregory Hymnal provides the essential material for all Choir Services. The Motets are particularly adapted for large or small groups. Excerpts from the Hymnal have proven of great help to Pastors in fostering Congregational Singing, as well as to train thousands for diocesan-wide outdoor demonstrations in New Orleans, Cincinnati, Newark, St. Paul and many other large centers.

BRAILLE EDITION The Library of Congress, Washington, D. C., selected the St. Gregory Hymnal as the representative Catholic Hymnal, which it has issued complete, in nine large volumes for the blind. The Years Between

In the forty years of its operation, The American City Bureau has a record of service and achievement in all fields of voluntary philanthropy. Churches, hospitals, schools and universities are included in its imposing and distinguished list of clients.

The Bureau is acutely aware that the success of fund-raising demands more than the mere application of technical and mechanical skills. In the direction of the effort there must be "imagineering" — that element best defined as insight into the real understanding of human motivation. Fund-raising is one part science and five parts human nature. It has to do with the minds and desires of people.

With more than 3,100 separate fund-raising programs in more than 800 American cities in its record of continuous and successful performance, the Bureau's highly skilled staff act upon proved experience and ever improving methods.

These things form the American City Bureau pattern. It is one which has served successfully for four decades. It is one which is ever advancing to meet the changing needs of communities and their philanthropic institutions in a dynamic nation.

BY CRAFTSMEN IN IRELAND

the Cradle of Ecclesiastical Art

SMYTHS of Dublin have been making works of art for the Church for a hundred and thirteen years. Behind their productions of today lie four generations of craftsmanship as well as a tradition that goes right back to the mediaeval craftsmen of a thousand years ago. Smyths craftsmen of today work in the same painstaking way, inspired by these traditions, and produce ecclesiastical metal work worthy to stand beside the best mediaeval classics.

Examples of Smyths craftsmanship are to be found in Churches in all parts of the United States and in many other countries. Both reproductions of mediaeval pieces and modern designs are available, and can be supplied promptly in the United States. We are experts in the design and manufacture of all types of ecclesiastical metal work and shall be glad to quote for your requirements.

Pope Pius X Chalice

This chalice, illustrated above, was actually designed by Blessed Pius for his own use, and the design was kindly made available to Smyths by a nephew of His late Holiness.. It incorporates many beautiful features of classical religious art, and is hand wrought and hand chased throughout. In solid silver, heavily gilt and burnished, and complete with paten. Height 9¼". Price $330.

St. Michael Tabernacle

This distinctive tabernacle, in oxydized bronze with gilt embellishments, is part of a set comprising crucifix, candlesticks, and tabernacle. As supplied to the Church of St. Joseph, Starkville, Mississippi. Interior diameter 14". Overall height 22". Price $550.

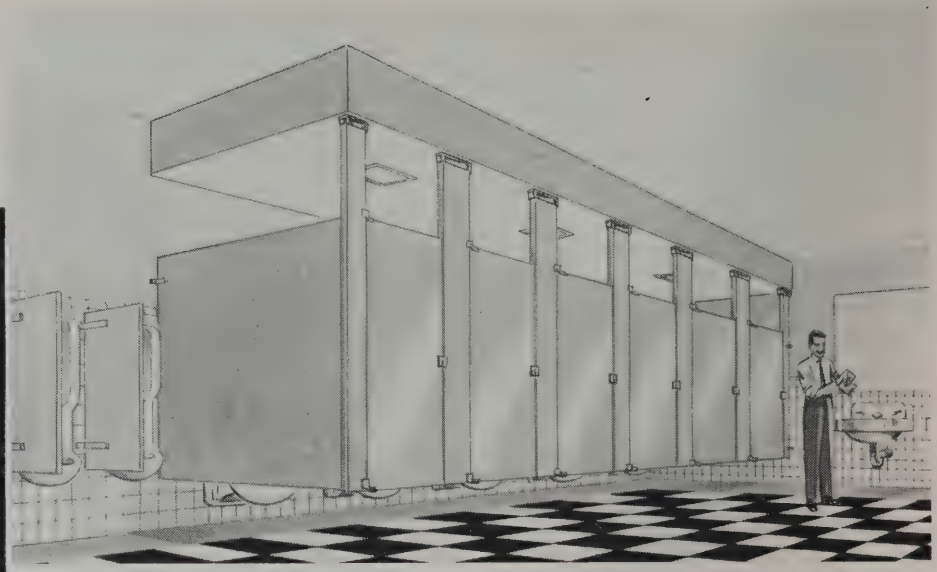
THE SERVICES OF OUR STUDIOS INCLUDE THE DESIGN, FABRICATION AND INSTALLATION OF COMPLETE CHURCH INTERIORS INCLUDING WORKS IN MARBLE, STONE IRON, BRONZE AND WOOD. WE ALSO DESIGN AND MANUFACTURE STAINED GLASS WINDOWS. WE WELCOME THE OPPORTUNITY TO OFFER OUR SUGGESTIONS TO THE BUILDER AND ARCHITECT WITHOUT OBLIGATION.



The Sanctuary shown here is a portion of a complete installation of our Studios recently finished at St. Peter's Church, Colman, South Dakota, Father Louis J. Miller, Pastor. It is an example of the richness and beauty that can be achieved at a most modest cost even in the church of a small parish. The entire structure is of stone with polished slate floor. The altars are stone and Botticino marble with bronze trim. The communion rail is Botticino marble with wrought iron and bronze sections. The statues are carved wood in grayed natural tones. An unusual feature in this church are the Stations of the Cross which are hand wrought in iron applied to recessed stone background. The Sanctuary wall has a bas relief recessed in it, creating a self reredos. The light fixtures are of iron and bronze with Belgium antique glass. The entire setting is one which reflects good taste and aesthetic beauty at a nominal cost.

Not a single raindrop—since 1944—

. . . has trickled through the walls of St. Joseph's Academy and Orphanage buildings, located near Richmond, Virginia, since we were given the job of making the magnificent chapel and other structures of this fine institution *permanently* weatherproof.

How was it done? The answer is simple: All faulty, crumbling mortar found in weak spots in masonry joints is carefully removed by well-trained mechanics using special high-speed tools. The old, bad mortar is then skillfully replaced by the right Rockwell Newman mortar mix.

It's as simple as that! Experienced men locate the weak spots that cause rain to seep through outside walls into the interior of your building. The tell-tale inside spots frequently appear some distance away from the points where rain-water enters the outside wall.

Ordinary masons cannot do this work as efficiently as our trained staff. Our method might not be the cheapest, but it is certainly the most economical in the long run. It gives you *permanently* weatherproof outside walls and *permanent* protection of the inside of your building.

We will gladly inspect your property and submit an estimate.

Now you SHARE in the DIVIDENDS

". . . The success of our work in the past three years has been such that we wish to share the fruits of our labors with those whom we are privileged to serve. To accomplish this, we have inaugurated our "client dividend" policy, to begin in 1954. In the same manner in which a large corporation studies its earnings and declares dividends to be paid to stockholders, The Charles J. Francis Company each year will survey its financial situation in relation to its tax obligations, returning in the form of "dividends" a share of its earnings to clients it has served during the year. The amount each client receives of the declared surplus will be in direct proportion to the percentage of his campaign fee in relation to the gross income of the company."

The above message is a quotation from our letter to the Hierarchy in January 1954, to announce our new policy of making our clients sharing partners in our firm. The new dividend plan is a continuation in our constant endeavor to bring fairness and financial advantage to parishes, dioceses and institutions The Charles J. Francis Company is honored to serve.

Life Insurance for Buildings

Archbishop's Residence, Brighton, Massachusetts, protected by Western's "Resto-Crete"* Waterproofing and Weatherproofing Treatment, the work being done for His Excellency, Most Reverend Richard J. Cushing, D.D., Archbishop of Boston.

Masonry buildings, however durable they may seem, are subject to the constant ravages of weather. To insure their long life and protect their interiors against damage, periodic waterproofing and weatherproofing are required.

For more than thirty years Western Waterproofing engineers have been applying these successful safeguards to masonry buildings of all types, under every condition of climate and weather. When the first sign of leakage or seepage appears in any of your church buildings, before the need of costly repairs can develop, call on Western Waterproofing engineers to make a survey and report to you on the condition of your buildings. There is no obligation. Our nearest offices will give you prompt and courteous attention.

Printers to the Holy Apostolic See

Editorial

In a world of materialism dominated by the anti-God philosophy of life known as Communism, the lonely voice of Pope Pius XII was raised calling all to prayer in the hope that on this earth there shall be Brotherhood of Man under the Fatherhood of God.

Knowing full well that Mary, the Mother of Jesus, is all-powerful in Heaven as our intercessor, and appreciating the numerous favors we have received through her over the centuries; and further relying on her promises recently given to those simple children at Fatima, Portugal, our Holy Father has dedicated this as the Marian Year, calling on all loyal Christians to ask her help in our petitions, particularly for the conversion of Russia.

The future may be ominous, the present uncertain; but the promises of Our Lady of Fatima still ring clearly in the hearts of those who are following her requests, keeping ever closer to God by prayer and good example, with the assurance that, in this dark hour, as always, God will hear our plea for Christian amity, and most surely will answer when it is presented to Him by the Queen of all Saints, the Mother of Jesus, our Mother.

Hints and Helps

FOR THOSE WHO USE THE CATHOLIC DIRECTORY

The exact page location of the various sections of the Directory mentioned in this Foreword may be found by consulting the alphabetical index on page vi.

A Public Service

Each year the editors of the Official Catholic Directory seek new ways of being of service to those who support it. Although the time may never be reached when the book will contain all that it could possibly have to be perfect in this respect, the latter is a goal towards which we are constantly aiming. After all, the Directory, in a broad sense, is no private enterprise carried on for purposes of personal profit. It is a work supported by its users as a public service and, as such, the format, arrangement and editorial features must be directed towards the convenience and needs of the public it is designed to serve. Nor does this policy stop with the editorial contents. The advertisements in the Directory are accepted by us with the user of the Directory in mind. It has always been our proud boast that our advertisers are *selected* rather than *solicited*. Before they appear in the Directory, the editors have made certain that the potential consumer can safely place full confidence in their products.

With this dedication to the public good in mind and because of the many editorial features and improvements constantly being included in the Directory, we believe it wise to devote some space and time towards giving you a clearer, more comprehensive idea of what the Directory contains and how to use these contents to best advantage. First then, we list a short summary of the parts of the book, after which we explain how they may be used.

What the Directory Contains

1. List of the Governing Bodies in Vatican City.

This is a list of all the officials, beginning with the Pope and continuing through the College of Cardinals. The duties of each of the Sacred Congregations and Offices together with its officials are given. A list of the National Colleges in Rome, together with a chronological table of the Popes, completes the Section.

2. List of the Provinces of the United States.

This is a list of all the Archdioceses and Dioceses of the United States arranged under the provinces to which they belong. The names of all Archbishops and Bishops together with appointment and consecration dates are given.

3. Detailed Reports from Archdioceses and Dioceses of the United States.

This section, forming the largest part of the book, gives the most detailed information on the Catholic Church in the United States. Examples of its wealth of information will be given later.

4. Detailed Reports on U. S. Possessions and Those Parts of the World in which American Priests and Religious Labor in Missionary Work.

This section contains substantially the same information on foreign territories as the preceding one does concerning the Catholic Church in the United States.

5. Special Listing of the Organization and Personnel of the National Catholic Welfare Conference.

6. General Statistics on Religious Orders of Men and Women.

In this section each Religious Order lists the number of Provinces it maintains, the superiors of the Provinces, the number of various classes of religious in the province, the number and kind of institutions it serves or maintains and the Dioceses in which its members are working. It is preceded by an exhaustive cross index.

7. A special listing of those societies engaged in missionary work giving the nature of their work, the territories in which their members are engaged and the local boards in various cities which aid or support them.

8. A list of the cities, towns and villages in which there is located a church with a resident priest or a Catholic institution, or both.

This section lists each city, the state in which it is located and the abbreviation of the Archdiocese or Diocese to which it belongs. A key to these abbreviations is given on a special page located immediately preceding the alphabetical list of places.

9. List of the Hierarchy of the United States alphabetically arranged, together with their addresses.

10. List of the Hierarchy of the United States arranged according to their seniority.

11. An alphabetical list of the Clergy, which includes all priests, both Secular and those belonging to a Religious Order or Community.

This list gives the diocese to which the priest belongs, the city and street address or institution at which he now resides, or his last known address.

12. Necrology of the United States Hierarchy and Clergy.

Here are listed alphabetically all those prelates and clergymen who have died since the last issue of the Directory. The address and diocese of each are given, together with the date of death.

13. A General Summary.

This is a general recapitulation of the statistics of each Archdiocese and Diocese. Total numbers for the United States and its possessions are given.

How to Find Things . . .

All these things the Directory contains—a wealth of names, statistics and relevant data such as few other books of reference encompass. It is indeed so much matter placed together in limited space that one may be excused a certain perplexity as to the quickest way to secure some particular point of information. A few pointers, then, may not be amiss.

. . . About the General Plan . . .

Each of the Reports of the various Archdioceses and Dioceses is alike in so far as the general layout is concerned. There is first a list of Officials. Then the churches in the See City are given, alphabetically arranged. This is followed by

a list of the Churches outside the city, alphabetically arranged according to places of location. With each Church are listed the parochial schools, missions, stations, and cemeteries associated with it. (Parochial cemeteries are identified by [CEM]; interparochial or joint cemeteries by [JC].) Following this is a listing of the Institutions of the Diocese. In the listings, arrangement of these Institutions follows closely the order of their presentation in the General Recapitulation. Postal delivery unit numbers are printed following street addresses in the diocesan listings. After the Institutional listings, there are summaries of the Religious Communities of Men and the Religious Communities of Women in the Diocese; a list of Diocesan cemeteries, if any; a Necrology listing those priests who have died during the year and, lastly, a Diocesan Recapitulation of Statistics.

. . . About Prelates . . . Let us suppose you want to know something about a prelate. If you know his name, the best place to look first is in the Alphabetical list of Secular and Regular Priests of the United States. This will give his full name and address as well as the Diocese to which he belongs. Upon turning to the Diocese, you will find, usually, the dates of his ordination, appointment and consecration, as well as the dates of his transference in the event he served in any other Diocese. You will usually also find his secretary's name and address, a point of information sometimes very useful. If you want to know what place he would take in solemn procession, consult the Seniority list of Bishops which immediately follows the Alphabetical list of Bishops and immediately precedes the Alphabetical List of Secular and Regular Priests.

. . . About Officials . . . In the event you wish some information concerning Diocesan officials, the Superintendent of Schools, let us say, you will find it in the Administrative Officials section directly under the name of the Bishop in each Diocese. In most cases both home and office addresses are given. You will also discover the ecclesiastical degrees and sometimes the higher educational degrees which should follow his name and formal address. All the officials connected with the governance of the Diocese are listed in this section. In the event that the address of the official you seek is not given, look him up in the Alphabetical List of Clergy.

. . . About Places . . . The place list of cities and towns in the United States tells you at a glance to just what archdiocese or diocese any particular one belongs. The cities and towns are arranged in strict alphabetical order and are followed by the abbreviation of the Archdiocese or Diocese where located. When a town has no post office, the correct mailing address or Post Office will be found in italics, immediately following the town desired, e.g. Reno, Iowa *Cumberland P.O.* DM. The Post Office address will be found in its alphabetical position with the name of the town where the church or institution is located immediately following in Roman type, e.g. *Cumberland, Iowa* Reno DM. Different localities have particular ways of abbreviating Rural Free Delivery. You will encounter it as: R.F.D.; R.R.; R. A key to the Diocesan abbreviations used will be found conveniently placed immediately preceding the alphabetical list of places.

. . . About Statistics . . . If you are interested in securing statistical information you can find it in the individual Recapitulations at the end of each Archdiocese and Diocese. These Recapitulations give the number of Institutions and the number of people attending them for the entire Diocese. We have taken from these Recapitulations those figures we consider to be most vital and summarized them in a general Recapitulation giving totals for the entire country. This will be found directly after the Clergy List and Necrology.

. . . About Clergymen . . . If you know the clergyman's name, the fastest way to discover his address is to look in the clergy list. This will give you his Diocese and address. If there is a number in brackets in the listing, he is stationed at the Church bearing that number in the city and Diocese indicated. The numbers are inserted only for Churches in the larger cities having ten or more Churches. If you are not sure of his name but know the city or town he is in, look that up in the Alphabetical list of places. This will give you the Diocese. The first priest's name in a parish listing is that of the Pastor unless otherwise identified. Often a parish has both a Pastor and an Administrator. In such instances, the latter's title is spelled out and the listing follows that of the name of the Pastor.

. . . About Religious Order Priests . . . Those priests belonging to Religious Orders are listed at the Churches and Institutions they serve. You will find at the end of each Diocesan report a list of the Religious Communities of Men active in that Diocese and the Churches and Institutions at which they are stationed. If you should desire further information about any particular order you can consult the Index to Religious Orders which directs you to more detailed and comprehensive information concerning the order. Since many Religious Order priests are engaged in Missionary work outside the United States the abbreviation of that province of his order to which he belongs is given, as well as his mailing address.

. . . About Brothers . . . In the United States, as well as in other countries, there are men who, while not ordained priests, live in community in the same manner as Religious Order priests. Some of these men are attached to Religious Orders of priests while others have formed their own Religious Community. Thus, in the Society of Jesus, there are ordained priests and brothers. On the other hand the Brothers of the Christian Schools, for example, have no connection with any Religious Order priests. You will find immediately following the Statistics on Religious Orders of Priests a listing of the Orders of Brothers who are independent of Religious Orders of Priests. Those Brothers who belong to Religious Orders of Priests are listed with their Order in the section devoted to Religious Orders of Priests.

. . . About Nuns . . . There are approximately 275 different Religious Communities of Women operating in the United States. To find general statistics on any particular one the first thing to consult is the Statistics of Religious Orders Section. Here you will find the number of Sisters, Postulants, Novices, etc. of each province, the number and kind of Institutions they maintain or serve and a listing of the Archdioceses and Dioceses in which they are represented. If you want to know, therefore, where the motherhouse of the nuns teaching at a certain school is located you have only to look the name up in the Religious Order Section. On the other hand, if you wish to know whether a certain order is represented at a certain school, you have only to consult the list of Religious Communities of Women in the Diocese, which you will find at the end of the report of each Archdiocese and Diocese.

The Complete Edition As you probably know, the Catholic Directory appears annually in three different forms. Volume One is the United States edition and contains information only on those Dioceses in the United States and its possessions. Volume Two is the Complete edition and contains everything in Volume One to which

are added also Diocesan reports for Canada, Ireland, England, Scotland, Wales, Australia, New Zealand, Bermuda, Cuba, Mexico and the Philippines. These reports for Canada are similar to those for the United States. There is also a List of Places for Canada which may be used exactly as the United States Place List. Volume Three contains everything in Volumes One and Two and is very substantially bound in cloth.

In this attempt to facilitate your use of the Directory, we have tried to cover all the questions which may arise. However, we realize that there may be some special aspect, peculiar to your work, upon which we have not touched. If this is so, please feel free to call on us for further information. As we have said, the Directory is a work of Public Service. Each year refinements and improvements are added. With your cooperation there will be more of these in the future. It is your Directory and, ultimately, will take whatever form serves you best. Accordingly, your corrections and suggestions are warmly welcomed.

PART I

Hierarchy of the Catholic Church

The Catholic Hierarchy, or the governing body of the Catholic Church, consists of His Holiness the Supreme Pontiff, assisted by the Sacred College of Cardinals and by several Sacred Congregations, or permanent ecclesiastical committees, of which the Cardinals are the chief members; by the Patriarchs, Archbishops and Bishops; by the Apostolic Nuncios and Delegates, Vicars and Prefects, and by certain Abbots and other Prelates.

HIS HOLINESS THE POPE

BISHOP OF ROME AND VICAR OF JESUS CHRIST,
SUCCESSOR OF ST. PETER, PRINCE OF THE APOSTLES,
SUPREME PONTIFF OF THE UNIVERSAL CHURCH.
PATRIARCH OF THE WEST, PRIMATE OF ITALY.
ARCHBISHOP AND METROPOLITAN OF THE ROMAN PROVINCE,
SOVEREIGN OF VATICAN CITY.

PIUS XII

EUGENIO PACELLI

NOW GLORIOUSLY REIGNING

The direct successor of St. Peter was born in Rome, March 2, 1876; ordained Priest, April 2, 1899; appointed Apostolic Nuncio to Bavaria, and promoted to the Titular See of Sardes, April 23, 1917; consecrated Archbishop by Pope Benedict XV, May 13, 1917; Apostolic Nuncio to Germany, June 22, 1920. Created and proclaimed Cardinal, December 16, 1929. Appointed Secretary of State, February 7, 1930. Elected Pope, March 2, 1939, crowned March 12, 1939.

VATICAN CITY

By virtue of the concordat signed on February 11, 1929, the Feast of Our Lady of Lourdes, ratifications of which were exchanged on June 7, the Feast of the Sacred Heart, the complete and independent authority of the Pope to rule in his own possessions was recognized by the state. The territorial possessions of the Holy Father are called Vatican City and within its limits the Sovereign Pontiff's authority is recognized as supreme.

The Sovereign of this small state is His Holiness, the Pope.

The Governor is Marquis Commendatore Camillo Serafini, born in Rome in 1864.

The Apostolic Nuncio to Italy is Most Rev. Giuseppe Fietta, Titular Archbishop of Serdica.

THE SACRED COLLEGE OF CARDINALS

The Cardinals, when duly constituted and proclaimed, form the Supreme Council or Senate of the Church. They are advisers of the Supreme Pontiff, and at the death of the Pontiff they elect his successor.

There are three orders of Cardinals, *Cardinal-Bishops, Cardinal-Priests,* and *Cardinal-Deacons;* but these orders are distinct from those of the Hierarchy. With very few exceptions, the Cardinal Priests are Archbishops or Bishops, and the Cardinal Deacons are Priests. The Sacred College of Cardinals, when complete, consists of 70 members—6 Cardinal Bishops, 50 Cardinal Priests and 14 Cardinal Deacons.

The Cardinal Bishops take their title from the Suburban Sees of Rome, which are: *Porto and Santa Rufina, Albano, Palestrina, Sabina, Frascati, Velletri.* The Cardinal Dean has united to his See the See of *Ostia.* The Cardinal Priests take their title from the "Titular Churches" to which they are appointed: the Cardinal Deacons are appointed to other Churches called "Deaconies." The first Cardinal Bishop is *Dean;* the first Cardinal Priest is *First Priest;* and the first Cardinal Deacon is *First Deacon* of the Sacred College. The Dean has the right of consecrating, and the First Deacon the right of proclaiming and crowning a new Pope. On the death of the Pontiff, the Cardinal *Camerlengo* has the Administration of the affairs of the Holy See.

(The "creation" of a Cardinal sometimes precedes, even by several years, the "publication and proclamation." The Cardinal is then said to be "reserved *in petto,*" and when proclaimed, he takes the precedence according to date of creation.)

Archdiocese of Indianapolis

(*Archidioecesis Indianapolitana*)

Most Reverend

PAUL SCHULTE, D.D.

Archbishop of Indianapolis; appointed Bishop of Leavenworth May 29, 1937; consecrated September 21, 1937; appointed Archbishop of Indianapolis July 20, 1946; formally installed October 10, 1946.—Chancery Office, *128 W. Georgia st., Indianapolis 25, Ind.* Office Telephone: Plaza 2579. Residence Telephone: Humboldt 4004.

ESTABLISHED A DIOCESE IN 1834; ARCHDIOCESE DEC. 19, 1944, BY DECREE OF POPE PIUS XII.

SQUARE MILES = 8,325.

Total Population (1950 Census) = 1,505,527.

Comprises the counties of Bartholomew, Brown, Clark, Clay, Crawford, Dearborn, Decatur, Fayette, Floyd, Franklin, Hancock, Harrison, Hendricks, Henry, Jackson, Jefferson, Jennings, Johnson, Lawrence, Marion, Monroe, Morgan, Ohio, Orange, Owen, Parke, Perry, Putnam, Ripley, Rush, Scott, Shelby, Switzerland, Union, Vermillion, Vigo, Washington and Wayne, and the township of Harrison in Spencer County, in the southern part of Indiana.

The Diocese of Vincennes (now Indianapolis) was established by decree of Gregory XVI, May 6, 1834, and the See was fixed at Vincennes. The territory then comprised the entire State of Indiana and the eastern part of Illinois.

By a decree of Pius IX, January 8, 1857, the northern half of the State was erected into the Diocese of Fort Wayne. The southern half of the State remained the Diocese of Vincennes.

The second Bishop of Vincennes, by Apostolic Brief, was permitted to establish his residence either at Vincennes, Madison, Lafayette or Indianapolis; the See city, however, to remain at Vincennes. This permission was renewed to the fourth Bishop, with the exception of Lafayette.

On the appointment of the fifth Bishop, he was directed to fix his residence at Indianapolis, but the Cathedral and title of the See were continued at Vincennes. By an Apostolic Brief dated March 23, 1898, the title of the Diocese was changed to that of "Diocese of Indianapolis," with the Episcopal See in the city of Indianapolis. By the same Brief the Patron Saint of the Diocese is to remain St. Francis Xavier, title of the old Cathedral, Vincennes.

On December 19, 1944, by the Executorial Decree of the Papal Delegate, Most Reverend Amleto Giovanni Cicognani, Archbishop of Laodicea, Apostolic Delegate to the United States of North America, the Papal Decree of Pope Pius XII was solemnly proclaimed in SS. Peter and Paul Cathedral, Indianapolis, elevating Indianapolis to the status of an Archdiocese, the State of Indiana being the Metropolitan Area. The Dioceses of Evansville and Lafayette in Indiana were created by the same decree and made Suffragan Sees of Indianapolis.
